Brand Strategy

We are pursuing a strategy to transform the Mizuho name into a brand that befits a leading global financial services group.

Under this branding strategy, we will make a clear declaration of the kind of value we can provide to customers. This is our Brand Promise.

Our Promise, however, is mere words and is not enough on its own to win customer approval for our efforts to provide value. In order to fulfill our Brand Promise, therefore, we will share and put into practice the strengths and challenges embodied in the expression “enterprising, open, and leading-edge” in our daily work activities.

Brand Promise

To customers ranging from domestic retail, corporate to international, Mizuho Financial Group is comprised of enterprising, spirited professionals who use creative and original methods to respond to customer needs today, while helping them achieve a bright future tomorrow.

Because we want to play a meaningful role in our customers’ lives by always being available to them, we offer a full range of leading-edge products and services designed to help them achieve their goals and make their lives more enjoyable and gratifying.

Brand Strength

Enterprising

“Enterprising” means we have the passion and power to help customers find the right path.

We think creatively about our business and each of us is empowered to make a difference in our customers’ lives. We keep focused on our customer needs and continuously strive to help them achieve their dreams.

We act enterprising all the time.

Open

“Open” means we are flexible and are open to new ideas and new ways to serve our customers.

We listen sincerely to our customers and treat them with fairness and kindness any time we have the chance.

We want to be open all the time.

Leading-edge

“Leading-edge” means we have the foresight to “light the future.”

In other words, each of us should anticipate how society and customers change. As a result of this, we introduce the most advanced and unique products and services to better serve our customers. Because of our innovative mindset, we help our customers achieve a better and brighter future.

We want to be leading-edge all the time.
We believe we will only achieve our aspiration to become “A financial partner that helps customers shape their future and achieve their dreams” when our customers truly feel we are “enterprising, open, and leading-edge” and have fulfilled our Brand Promise.

We will continue to declare our Brand Promise through various kinds of communications activities under the group’s unified Brand Slogan, “Channel to Discovery.”

**Brand Vision**

“A financial partner that helps customers shape their future and achieve their dreams.”

**Brand Slogan**

**Channel to Discovery**

The slogan expresses the role Mizuho will play, not only to realize today’s dreams, but also to discover new possibilities that lie ahead and to create a better future.

“Discovery” stands for Mizuho’s customers discovering their dreams and new possibilities, and “Channel” stands for the role Mizuho will play in providing the ways and means to its customers so that they can realize their dreams and new possibilities.
